Dear Colleague,

As you are aware, the Ministry of Health and Family Welfare has been spearheading **TB Mukh Bharat Abhiyaan** through concerted and collaborative efforts with States/UTs and other stakeholders. To accelerate the progress towards TB Mukh Bharat, the Government launched a 100 Days TB Mukh Bharat Abhiyaan in December 2024 in 347 high priority districts across 33 States/UTs which was expanded to all districts after March 2025. With your contribution, this Campaign proved to be highly effective.

Commemorating the World TB Day, the Ministry is re-launching an intensive & focused **TB Mukh Bharat Abhiyaan - 100 Days Campaign this year on 24th March 2026**. This nationwide Campaign envisages the coverage of asymptomatic vulnerable population across hotspots of rural, urban areas and congregate settings.

As before, your active participation and timely support in this nationwide initiative is crucial. The goal of TB elimination can only be achieved adopting Whole-of-Government and Whole-of-Society approach. The key expectations from line ministries are summarized below:

- Identification of **Nodal Officers** and their continuous engagement in the campaign
- Awareness generation through social media and other platforms of the ministry
- Display of IEC materials in all offices
- Taking **Ni-kshay Shapath** in all institutions, offices etc.
- Register & activate **Ni-kshay Mitras** from organizations and institutions under ministry, as also encourage the Nikshay Mitra initiative through your interface with public

The detailed Campaign activities and expectations from each line ministry are enclosed as Annexure 1, along with the Campaign guidelines. I
